

much
more than
just a school

Dear Parents and Carers

Well, what a very strange year it has been! As we approach the last few days of term, we are writing with arrangements for the start of the next. September will be different for everyone. For some, it will be their first time in school for many months, for others the challenge will be getting used to a school that is once again full of students. But what we know is that we will be back together, focussed on learning and working together to succeed.

Year Group Zones

We are now well prepared for a return to school for all students in September. However, it will be different. Each year group will be taught in zones and will not mix with other years.

Houses and Tutor Groups

Within each Year Zone, students will be in tutor groups, each of which are attached to one of our three new Houses. The Houses are not currently named, but students will be involved in voting for names next term. For now, they will be known as either Red, Green or Blue House. Heads of House have replaced Heads of Year and will oversee your child's progress, behaviour and pastoral care.

Below you will find details of your child's House, Head of House and Tutor for September.

We have included a set of Frequently Asked Questions and Answers (FAQs). These outline all of the measures in place for September and changes which affect your child. Please take time to read through them and share them with your child.

In mid-August you will be sent final arrangements for the start back to school along with a 'Welcome Back to Park' booklet which must read to ensure you are fully prepared for a return to school.

Finally, a thank you ... thank you for supporting your child's education throughout lockdown, thank you for supporting us and thank you for staying in touch throughout. This period has been a powerful reminder of the strength and passion of our whole community. We would like to wish you a great summer and look forward to seeing you and your children in September.

Yours faithfully
