

much  
more than  
just a school

7 October 2019

Dear Parent/Carer

I would like to welcome your son/daughter to the new academic year, 2019-2020. As a school, we are keen to offer a broad curriculum as well as a number of different learning activities outside of the classroom. Therefore, I would like to inform you of school events taking place this year that embody this enhanced curriculum.

### **'Much More than Just a School' Carousel**

To facilitate learning opportunities, a carousel of activities has been designed to allow Year 8 students to take part in different educational experiences. This carousel will take place for students on Tuesday, period 1 and 2, each week. These sessions will take place at the school farm, kitchen and Apex centre. As part of a rotation, students will complete one activity per week, over a three-week period. School transport will be provided for activities which involve students going off school site. We hope that these activities continue to build on the engaging experiences that your child will have during their education at Park.

### **Year 8 Information Evening: Thursday 17 October 6.00 – 6.30pm**

I would like to share expectations and key information regarding the year ahead with all parents/carers. Students are not required to attend the evening. The evening will run from **6.00 – 6.30pm** and will take place in the **Lecture Theatre**.

I look forward to seeing you all at the information evening.

Yours faithfully

Mrs H Wilson  
Head of Year 8

Success for All through Attainment, Resilience and Autonomy

Park Community School  
Middle Park Way, Havant, PO9 4BU
