Dear Parent/Guardian

**Year 10 GCSE Information Evening
Wednesday, 9 October 6.00-6.30**

I am pleased to invite you to our first Year 10 event of the year and also to give you an overview of what's coming up this term to support Year 10 students.

Year 10 are in the process of undertaking the first of two academically challenging years. This year will start to make many demands on students with regular mock exams as well as lessons, revision, extra-curricular sessions and the day to day trials of being a teenager. Your support at home in helping with homework and revision will be vital.

Wednesday, 9 October. 6.00pm-6.30pm - Y10 Parent information Evening

This is a key session which should provide a springboard for success in guiding you on how you can best support your children through the next year. Parents will be taken through key information regarding exams, how you can support your child and other resources that are available.

The names of parent/guardians for Year 10 students for this session will be placed in to a prize draw raffle. The raffle will be drawn in the next Year 10 assembly with three winners receiving a set of revision guides.

Other key dates this half term:
