

much  
more than  
just a school

14 September 2020

Dear Parents and Carers

Welcome back to full time school life.

Last week we were delighted to welcome all students back to school. Students followed our new systems brilliantly and these helped to ensure everyone felt safe.

Our focus now is on learning. This includes revisiting previous learning to make sure it is secure, introducing new content and also identifying gaps where students may need support. Your child will have brought their student planner home last week - please make sure you have read and signed the relevant sections. The planner includes a reminder of how to log on to access learning remotely should any student ever need to. Please check they are confident with this.

Our assemblies are still being filmed and sent to tutor groups remotely; we will also send these to you each week. If you are able to take the time, please watch them and discuss the themes with your child.

Finally, I am also sending a link to a brief 'back to school survey'. I would appreciate you taking a few minutes to complete it to let us know what has gone well so far and any questions you have. A reminder to contact your child's tutor or Head of House if you need any support.

We look forward to continuing to work with you this year. Look out for our fortnightly newsletter, the first of which will be sent to you this Friday.

Yours faithfully

Ella Capaldi  
Head of School

Success for All through Attainment, Resilience and Autonomy
