

Opportunities at Park Community School

Park Community School, Havant, Hampshire PO9 4BU

Teacher of Food Technology from January 2018 or sooner (suitable for NQT)

We are looking for an enthusiastic and inspiring classroom practitioner with a real passion for Catering and Food Technology. An ability to teach KS3 Resistant Materials would be a bonus. We offer an exciting opportunity to enhance an already successful and motivated team, characterised by an ambitious drive for excellence centred on the school's vision of 'Success for All through Attainment, Resilience and Autonomy'.

Park Community School has recently been rebuilt. All lessons, across all subjects, are taught in modern facilities within our new school building. Our Food Technology area includes a conventional practice/theory cooking room and catering room with serving hatch and mini café area, alongside two new workshops. We also have a smallholding 'farm' to help children learn from and about the land and animals, which could lead to our Catering and Food Technology department becoming partly self-sustainable. Our Apex Centre is near the main site and a base for construction skills courses.

We offer a fantastic working environment, where staff well-being is truly valued.

We offer high quality support and programmes of professional development, which provide many opportunities for both NQTs and for more experienced colleagues. As a department, we encourage staff to be forward-thinking to keep the subject current and up-to-date and are very supportive of those seeking opportunities to develop teaching and learning.

To apply for this position, please download application form and details from www.pcs.hants.sch.uk or e-mail recruitment@pcs.hants.sch.uk to request an application pack. We look forward to hearing from you.

Closing date for applications: Tuesday, 26 September 2017

Park Community School is committed to safeguarding children and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All successful candidates will be subject to Enhanced DBS check along with other relevant employment checks.

In promoting equal opportunities, the school welcomes applications from all sections of the community.
