

9 October 2015

Headteacher: Christopher Anders BA (Hons) MA

Dear Parents/Guardian

At present we have someone in school with a lowered immune system, therefore we ask that you notify the school should your child display any signs of chicken pox or measles.

The symptoms to look out for are:

- Red blistery spots
- High temperature

If you spot any of these symptoms, please contact me on extension 252.

Thank you for your co-operation in this matter.

Yours faithfully

Mrs K L Wells Fdsc Paramedic Science  
Medical Officer
