

10 June 2019

Dear Parent/Carer

I am writing to you to remind you of some key dates this half term.

End of Year Exams

Students in Years 7-10 begin their end of year exams in the week beginning 17 June 2019. An exam timetable has been given to students and is also shown below in this letter.

These exams are important because they allow teachers to assess how well learning has been secured this year and identify areas for further development going forward.

Teachers will be setting students revision for these exams. In Years 7 and 8 this may be on line or on paper, for Years 9 and 10 this will be through GCSEPod. All students have a log on to GCSEPod but if any have forgotten their details, any teacher is able to reset this for them.

Consequences

We are trialling a few changes to the Consequence system this half term in response to student and staff feedback. These mainly affect what goes on in lessons if a student chooses to disrupt the learning of others. The changes are aimed at addressing this swiftly so that everyone can get on and learn.

Detentions

If your child receives a detention, the usual system has not changed - a text will be sent informing you that your child has been given a detention letter, the details of the detention will be brought home to you by your child. Please ensure you discuss this with them should this happen.

One change that may affect a small number of parents is that if a child receives more than one detention in a day, this will become a 12-5pm slot in the Consequence Room on the following day. Parents will be informed of this.

Please bear with us as we make these changes. Any permanent changes will be published for September 2019.
