19 November 2019

Dear Parent/Carer

We would like to welcome your son/daughter to the new academic year 2019-2020. We hope your son/daughter has made a positive start to their penultimate GCSE year and have been successful in their first set of mock exams.

Year 10 Parents evening: On **Thursday 28 November** we would like all parents/carers to join us in sharing the learning journey that students in Year 10 are undertaking. The evening will run from 4.30pm – 7.30pm and will require you to book a five-minute appointment with your child's subject teachers only. During your visit you will have the opportunity to:

- Look at your child's learning so far
- Have a 5-minute appointment with your child's teachers
- Set goals for the year ahead

Please arrive **10 minutes before** your child's appointment so that you can review their learning prior to the appointment.

Your child has been given a GCSE action plan booklet to complete based on their attainment from mock exams and priorities for revision. Please bring the completed GCSE action plan booklet along to the appointment that could form the basis of your conversation with specific teachers.

We hope that you can join us on 28 November to share your child's learning journey and to continue to build the home school partnership which will allow your child to be successful.

Please follow the link below to make your booking (please enter your child's name, date of birth and mentor group)
