

22 June 2020

Dear Parent and Carers of Year 7 and 8

I hope you and your families are well. Thank you for making sure you and your child remain in regular contact with school and for supporting them with their remote learning. It is a challenge we know; please keep asking if you need more support. Remember, our MUNCH fridge and freezer are stocked daily and can be accessed in school reception.

Some face to face support with remote learning for Years 7 and 8

As you will know, Year 10 students have now returned to school for some time each week to support with their remote learning. There are no plans from the government for this to be extended to other year groups at the moment, but we aware students would benefit from more support than we are able to give remotely.

Therefore, we would like to invite each Year 7 and 8 student in for a one to one meeting with a teacher during the week commencing 29 June 2020. Year 9 have been attending one to one meetings this week to support with their remote learning this week and have found this helpful. We would like to do the same for Years 7 and 8.

The purpose of the meeting will be to check how students are managing, to review remote learning and to support with organising a timetable going forward.

For the meeting there is no need to wear uniform. Students should arrive five minutes before their allocated time and line up outside of the Dickinson Centre respecting social distancing. Staff will be there to greet them and explain the process for entering and exiting the building.

Your child's appointment is on_____ at _____

We are looking forward to seeing Years 7 and 8 and I hope that the one to one meeting will be a welcome addition to their remote contact with teachers and mentors.

Yours faithfully
