

28 August 2020

Dear Year 11 2019-20, parents and carers,

I hope the last week has gone well for you and you have secured the college and training places you had applied for.

This is a final letter from me to confirm the arrangements for exam results and the GCSE examinations in November 2020.

Remaining GCSE grades for Summer 2020

- **iGCSE English Language** results have been reviewed and confirmed by Cambridge exam board. These have not changed. This means the GCSE grades you were issued with on results day are your final grades. Congratulations!
- **PE BTEC grades** are expected in school sometime today. We will post these to you early next week.
- **Travel and Tourism BTEC grades** are also expected in school today. We will post these too.

If you urgently need to know any of the grades above for college places please email our exam query address and we will be able to help:

November GCSE examinations

The GCSE exams that you would have sat in the summer are being offered in November in schools. Any student can request to sit the actual exam they had been entered for. If you choose to do so, you will need to sit all papers for the subject and your final grade will not be lower than the one you received last week.

If you would like to sit the exams for any of your subjects please email us at: gcse2020@pcs.hants.sch.uk before **Monday 7 September 2020**. We will not be able to accept entries after this point.

This link will take you to the detailed government guidance on GCSEs, appeals and the November exam series.

School emails and lockers

School email addresses for Year 11 2019-20 will stop working on Tuesday, 1 September 2020. We are still here to help and answer questions, but you will need to use your personal email address after this date.

If you have not yet returned your locker key, your last chance to do so to collect your deposit and any of your locker contents is Thursday, 3 September between 12.00 noon and 3.00 pm. Please come to the school reception.

Finally, I would like to wish you lots of luck with the college courses, training opportunities and employment you have all secured. Please contact us if you need any help.

Yours faithfully
