

25 September 2019

Dear Year 10 students and parents

It's the final countdown!

Year 10 students - you are already a few weeks into your penultimate year at Park. If you make the most of school by attending regularly, working hard and revising, you will be able to achieve great things.

The table on the second page of this letter outlines the period 6 sessions you MUST attend for the next six weeks, starting from Monday, 30 September 2019.

This does not mean you cannot attend others as well, but these are the **absolute non-negotiables!**

Why me?

Your teachers have identified you as someone who needs some additional intervention to help you reach the grade of which you are capable.

What's the timescale?

Sessions begin week commencing Monday, 30 September 2019 for an initial period of six weeks. Each session will last approximately one hour.

What if I can't attend?

There must be a very good reason for you not to attend and it is your responsibility to speak to Mrs Storey and the period 6 teacher in advance to request to be excused and ensure you have any work you will miss.

Anything else I need to know?

- You must go to the restaurant and register after school for every day you have a period 6.
- Arrive to the sessions promptly and ready to learn so that no time is wasted.
- You may be given tasks to take home to complete so that you practise what you learn in these sessions, make sure you do them so you keep practising and improving.

/Please turn over

Finally, please make the most of these sessions, they are not available to students in many other schools. Your teachers are going over and above to run them for you and make sure you are ready to do brilliantly in the Summer exams.

Yours faithfully

Mrs Storey
Head of Year 10

Periods 6s beginning 30/9/19				
Monday	Tuesday	Wednesday	Thursday	Friday
